

# Improvement Plan 2014 – 2017

(2017)

*Values: Trust, Respect, Shared Responsibility, Integrity, Excellence*

## Vision

To provide a high performing educational community that enables all learners to successfully transition and thrive through all aspects of their schooling and beyond.

## Mission

We will achieve this by building powerful learners who strive for excellence characterised by:

Creativity

Curiosity

Independence

Reflectiveness

Perseverance

Working closely in collaboration with our communities, families, staff, students and leaders.

**As a partnership we have made a commitment to use Visible Learning as the platform to enact our vision. Commencing in 2017, we have a specific focus on feedback.**

### Data that informs this plan: to be drawn from...

- Student data from across the partnership in line with the DECD Standard of Educational Achievement.
- AEDC and MYDI Data
- Partnership Attendance Data

## **TARGETS – ATTENDANCE AND NUMERACY**

### Student targets in relation to numeracy

Schools across the LMN partnership will increase by 5% the number of students achieving the relevant DECD Standard of Educational Achievement and SACE completion passing grades data in numeracy by the end of 2017.

75% of preschool children across the LMN partnership will show growth in the dispositions of curiosity, persistence and resourcefulness as it relates to numeracy.

### Student target in relation to attendance

School Sites: 5% increase in the number of STUDENTS ATTENDING 90% OR MORE AS SHOWN ON the MYSCHOOL website.

Early Years Sites: 5% increase in the number of children attending 90% or more.

## Goal

**To ensure every child B-12 experiences powerful teaching and learning to improve learning and life choices.**
