

Public Education in Riverton, in the Lower Mid North

Quality

Our public education sites exemplify quality teaching, leadership, curriculum, resources, relationships and infrastructure.

Democracy

A vehicle for the development of capabilities for active participation in civic life, schools exemplify and practice democracy at all levels by creating structures and processes that give a voice to all members of the school community.

Equity

Educational outcomes are determined through effort and skilled teaching, not by inequities.

Your local Public Schools and Kindy...

Riverton Kindergarten

Riverton Primary school

Riverton and District High School

Diversity and Cohesion

We develop an understanding of how to appreciate and respect difference, allowing the development of skills and dispositions needed to maintain and enhance a diverse yet cohesive multicultural society.

Community

Our public schools kindergarten and community interactions enriches student learning and fosters community cohesion.

Collaboration and Trust

Our public education sites promote the development of people who are capable of working together to achieve benefits for the whole community, with an emphasis on sharing and collaborating.
